**Re: United States v. Roman Storm  
23 Cr. 430 (KPF)**

Dear Counsel:

We write to provide you notice that at his trial Roman Storm may assert an advice of counsel defense and/or a good faith defense based in part on communications with and information received from attorneys. As is permitted by the case law, Mr. Storm will not make a final decision about whether to assert such defenses until after the government rests its case in chief.

Best regards,
